Program Requirements:

Please read the following requirement very carefully to make sure that you comply. There are some changes to the summer reading program.

1. Students **must read at least four books off of the book list** provided for their rising grade. For example: a fifth grader from this past school year would read off of the "Grade 6-8" list. **You may read more than four books, but to qualify for the t-shirt you must read a minimum of four books. THEY MUST BE OFF OF THE LIST PROVIDED.**
2. **Bring your Reading Log to school for summer celebration.** We will celebrate completion of the summer reading program by having an ice cream party in the gym. Students can also take AR tests in the lab on that day. Please come with your completed logs. (*Packets may be mailed in early or delivered to the school office ahead of time if you will be out of town.*) If you mail it in, it **MUST** be postmarked by the date of the check-in. You may print the reading logs off of the library page. If you fill up a sheet, simply print out multiples. Please join us on the following date:

Friday, August 2nd, 1:00-4:00 pm

Students will also receive a raffle ticket for every book that he/she reads. (4 books = 4 tickets, etc.) Students who read four books off of the list and turn in a completed reading log will receive a **Summer Reading t-shirt designed by GA students, which will be dress code compliant.** There will also be a grand prize drawing at the beginning of the new school year for students who participate.
